

(0-10) WRITE THE NUMERALS

This is a link to free videos and worksheets which show how to write each individual number both with and without guides

<https://teachhandwriting.co.uk/numbers-symbols.html>

This is a Youtube video which shows in a more fun but less clear way how to write all the numbers in one short video

<https://www.youtube.com/watch?v=rashHEo2fd8>
